

FOR IMMEDIATE RELEASE

Empire SUITE Strikes Back at AICPA ENGAGE 2017

CPAs use the force of Empire SUITE's integrated software to achieve profitability, efficiency

6 JUNE 2017 – NEW YORK, NY – The next tax busy season is closer than you think. CPAs need to implement best practices and tools now to prepare for next year and maximize productivity and efficiency. To help practitioners, next week at [AICPA ENGAGE 2017](#), Empire SUITE will feature its award-winning modular cloud-based workforce and resource management solution as part of a toolkit designed to help CPAs maximize profitability and success.

Empire SUITE's tools address the top business challenges facing today's CPAs: employee management and reporting, expense management and resource scheduling. To learn more about how Empire SUITE addresses these issues, company executives will be on-hand to discuss CPA needs and best practices at the AICPA show in Las Vegas.

What: Empire SUITE exhibiting at AICPA ENGAGE 2017; demos and information for CPA practitioners, managing partners, and firm administrators on how to increase profitability and efficiency using cost-effective, user-friendly tools

Who: Empire SUITE executives, experts on cloud tools for resource management, workflow, activities, engagements, as well as time and expense

When: June 12-14, 2017

Where: AICPA Engage 2017, MGM Grand Las Vegas

For: AICPA ENGAGE attendees, media and others interested in learning how CPA practices can streamline operations and simplify tasks for increased profitability and productivity

Why Empire SUITE? It is the only cloud-based workforce and resource management solution with a financial perspective, allowing management to track time, budget and resources in real-time. Widely used in the CPA, accounting and consulting communities, management benefits from depth of information and ease of implementation and employees appreciate the user-friendly interface and mobile access for on-the-go data input. Empire SUITE can replace or in many cases complement some of the world's most popular software packages from companies such as Microsoft, CCH Wolters Kluwer, Deltek, SAP and Oracle, with integrated easy-to-use tools to make today's most complex and costly business management tasks easier and more efficient. Since the 2017 busy season just came to a close, it's the perfect time to start planning for 2018. Don't wait until it's too late – start planning now.

“Empire SUITE only requires hours or days to be up and running in a CPA firm, not weeks or months as with other systems,” comments Bill Cornfield, President of WSG. “With a fast deployment and ease of use, firms see an incredibly fast ROI, especially when integrated with whatever systems an organization might have for improved efficiency and usability, ultimately leading to higher profitability.”

ABOUT WSG SYSTEMS

Based in New York City, WSG Systems Corp is a cloud provider whose sole focus is project and resource financial management software. WSG helps organizations simplify the complex challenge of workforce and resource management. Project-driven organizations appreciate the ability to visualize the financial impact of their projects, and employees appreciate the ease-of-implementation and use of the suite of tools. WSG’s award-winning Empire SUITE supports a wide array of vertical markets including professional service providers in accounting, management, and IT consulting organizations. In addition, Empire SUITE is used extensively by internal corporate service providers such as IT and HR.
